§9–215.

(a) When landfill operations end, the holder of a permit issued under this subtitle for a landfill system shall close and cover all of the land for which the permit was issued in a manner that prevents:

- (1) Erosion;
- (2) Health and safety hazards;
- (3) Nuisances; and
- (4) Pollution.

(b) The Department shall adopt regulations that set standards for the closing and covering of landfill systems.
